

The 22nd Annual Hempfield Fall Classic

wishes to thank all of the 530 team in attendance at the 2007 tournament. Over 900 soccer games were played during the weekend. This is such an exciting annual event and we feel very fortunate to host the teams and 30,000 folks from all areas of Pennsylvania and 7 other states for a weekend of competitive soccer.

We hope you enjoyed this fall weekend in lovely Lancaster County. Pennsylvania Dutch hospitality was in full swing that weekend, with many businesses, restaurants, hotels and organizations anticipating the teams' arrival.

We would like to take the opportunity to thank the numerous people, businesses and organizations that sponsor or contribute to making this tournament the success it has been for 22 years.

Special thanks to the players, their parents and the many volunteers of the Hempfield Soccer Club for their tireless efforts before, during and after this event!

Thank you...
